Dear friends, Waves of Hope—Sending Relief Shore to Shore

The tragedy of March 11th brought an immediate outpouring of support for the Japanese victims of the earthquake and resulting tsunami. We are most grateful for the concerns shown to our devastated country.

Although many generous donations have been made, the suffering from this horrendous calamity is ongoing. More than 130,000 people are still in shelters and some have contracted various illnesses resulting from the poor living conditions. It has been said that it will take 30 years to clean up the areas affected by this tragedy.

We would like to ask you to support a new round of donation efforts. At this time we are inviting you to join the Art Swell and tie your generous donation to an event featuring art, music, and food.

Any amount is welcome. However, those of you who are willing to donate \$100 or more will be invited to an exciting Art Swell event on Friday, September 23, 2011. Eugene's Opus VII Gallery will be filled with good wine, abundant appetizers, and inspiring music, as well as amazing works of art by local artists. There will be drawings of these art works as gifts to people during the evening, and there will be an auction of two large paintings donated by well-known artist Adam Grosowsky.

Please don't miss this chance to show your generosity and acquire wonderful works of art. Join us and enjoy music, wine, friends, and food, and continue to show your support for the people of Japan.

Please use the attached form to complete your donation and donor information. Thank you.
Sincerely,

Mike Takahashi
